

Canvas Select Plus microSD Memory Card

with Android A1 Performance Class

Kingston's Canvas Select Plus microSD is compatible with Android devices and designed with A1-rated performance. It offers improved speed and capacity for loading apps faster and capturing images and videos in multiple capacities up to 512 GB¹. Powerful in performance, speed and durability, the Canvas Select Plus microSD is designed for reliability when shooting and developing high-resolution photos or filming and editing full HD videos. Kingston Canvas cards are tested to be durable in the harshest environments and conditions so you can take them anywhere with confidence that your photos, videos and files will be protected. Available with a lifetime warranty.

1. Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's [Flash Memory Guide](#).
2. Speed may vary due to host hardware, software and usage.
