Pop Silent

Simply sleek

Fractal fuse flair with function in the new Pop series of cases that doesn't skimp on aesthetics or flexibility. The Pop Silent offers a sound-damped build in excellent quality, giving all users plenty of options and room to maneuver.

Key features

- Accommodates ATX / mATX / Mini ITX Motherboards
- Easily mounted tempered glass side panel lets you showcase your components (Pop Silent TG)
- Up to three HDDs and six SSDs (or two HDDs and five SSDs with one optical bay in use)
- Excellent noise reduction thanks to a closed front, a closed top, bitumen side panels and sound-damping foam
- Comes with three of our 120 mm Aspect fans
- Two neatly concealed 5.25" bays with storage drawer and magnetic cover
- Easy cable management with multiple tie-down points, pre-mounted velcro straps and convenient extra-large pass-through holes
- Front I/O comes with two 3.0 USB 5 Gb/s ports, Mic and headphone jacks
- Optional USB-C upgrade kit (available separately) adds a full speed USB Type-C front port
- Comes with two ultra-versatile storage trays, each supporting a 3.5" and a 2.5" drive simultaneously
