Rhino™ 6000+

AUTHENTIC AUTHENTIQUE DYMO

It's packed with time-saving shortcuts for labeling any installation quickly and professionally.

- Create labels up to 24mm width

- Meets key ANSI and TIA/EIA-606-B industry labeling standards

- Exclusive, one-touch "Hot Keys" automatically size, space and format label text for electrical and patch panels, terminal and 110 blocks, wire and cable flags, horizontal and vertical wraps, vertical and fixed-length applications including 5-line print capability

- Print 8 barcode types including Code 39, Code 128, Codabar, UPC A/E, EAN 8/13, PDF 417, code 39 mod 43 variant and QR code

- Symbol library includes more than 250 pre-programmed industry symbols, terms, fractions and punctuation marks

- Always use authentic DYMO® Industrial Rhino™ labels for guaranteed high-quality output

- For more features download the free DYMO ID™ software for PC and use it to create labels even faster

* Works with 32- and 64-bit Windows® 7 or later.
