

DATASHEET

G|DRIVE™ mobile PRO SSD

Blazing speed. Savage strength.

With storage running at 2800MB/s¹, the G-DRIVE mobile Pro SSD lets you edit multi-stream 8K footage at full frame rate, quickly render VR projects and experience them at full resolution, and transfer as much as a terabyte of media in seven minutes or less (for 1TB model) wherever you are. A durable, shock-resistant design uses hand-picked components to endure your travels, while a single Thunderbolt 3 port lets you instantly edit footage on the go with incredible speed without the need for wall power. An aluminium core helps prevent overheating to maintain a consistent high level of performance, and with a trusted 5-year limited warranty, you get durable, blazing fast storage ready to stick with you for years to come.

- Transfers up to 2800MB/s¹
- Durable, shock-resistant design with up to 3-meter drop protection² and 1000lb crush-proof rating
- Thunderbolt™ 3 connectivity
- Cool, aluminum core for sustained performance
- 5-year limited warranty
