

DATASHEET

COMPACT NOISE-CANCELLING HEADSET WITH A CHOICE OF THREE WEARING STYLES

The BlueParrott C300-XT is ideal for those who need a discreet, customer-facing headset with high levels of noise cancellation. Enjoy premium BlueParrott features designed to boost productivity and collaboration, in a compact design with a choice of three different wearing styles.

The C300-XT MS variant offers all the features of the C300-XT with seamless hands-free Microsoft Teams Walkie Talkie collaboration.

Benefits

- **Industry-leading noise cancellation.** Blocks out 80% of background noise¹.
- **Up to 10 hours of talk time.** Keep talking with long-lasting battery life.
- **Works with Microsoft Teams Walkie Talkie.** Receive voice messages hands-free while you work. To send a voice message, just hold the headset's Parrott Button™ and talk².
- **Customizable Parrott Button.** Enable fast access to your favorite features including mute, speed dial, Push-to-Talk and more. The C300-XT MS comes with the Parrott Button pre-programmed for instant access to Microsoft Teams Walkie Talkie.
- **Tough, IP65-rated design.** Dust and water tight protection.
- **Choice of wearing styles.** Ear hook, neckband and headband wearing styles are included.
- **VoiceControl™.** Answer or reject calls with just your voice, keeping your hands free.
- **Up to 300 feet/100 meters wireless range³.** No need to keep your phone in your pocket.
- **Works with most Bluetooth® devices.** Connect to 2 mobile devices at the same time. Integrates with a range of devices, from smartphones to hand-held terminals. Use our SDK to enable custom experiences⁴.
