

ideapad 3 (14", 15", 17")

PERFORMANCE WITH A PURPOSE.

The ultimate notebook to learn from home and beyond, the Lenovo™ **IdeaPad™ 3** compliments powerhouse performance powered by up to AMD Ryzen™ 5000 Series Mobile Processors with Radeon™ Graphics with practical, tailored work and smart learning solutions to alleviate eye strain, posture-related pains, and distractions, all while keeping your system cool via intelligent thermals and secure with a privacy shutter on the camera, allowing you to reserve complete control over your web-cams privacy.

SUPREME PERFORMANCE. INFINITE POSSIBILITIES.

Run your most demanding apps all at once with the world's best mobile processors*. Experience lightning-fast responsiveness and hyper-efficient battery life thanks to industry-leading technology that keeps you productive and entertained from anywhere.

* 'Best Mobile Processors' is defined as having the highest multi-thread processing performance in each of four (4) classes of Ryzen 5000 series processors. Testing by AMD engineering using the Cinebench R20 nT benchmark, measuring multithreaded performance of a Ryzen 9 5900HX processor engineering sample vs Core i9-10980HK, Ryzen 7 5800U processor engineering sample vs Core i7-1185G7 processor, the Ryzen 5 5600U processor engineering sample vs Core i5-1135G7 processor, and a Ryzen 3 5400U processor engineering sample vs Core i3-1115G4 processor. Performance may vary. C2M-1.

¹ 4-side narrow bezels on 14" and 15".

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 3 (14", 15", 17")

Control your privacy at all times

Protect your lens and preserve your privacy at all times. Never worry again whether you're being watched or still on-screen after a video conference with the privacy shutter, which puts complete control of your privacy in your hands.

Always-on digital wellness

Rectify any concerns over eye strain, posture-related aches and pains and distractions with **IdeaPad 3's** targeted learn-from-home solutions such as Eye Care and Noise-Cancellation.

Quieter and cooler with intelligent thermals

Stays even cooler and more whisper-quiet with mechanical airflow enhancements and intelligent thermals that ensure air flows out without crossing over intake vents. Calibrate performance and battery life even further with Q-control, which cycles through three modes to match your performance needs.

See more of everything

Now see more screen. The **IdeaPad 3's** 4-side narrow bezels¹ on the FHD display translates to one of the highest active area ratios of its class, so you can take in wider viewing angles for less clutter.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions

(1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
